Addendum

INCLUSION OF A NEW ITEM ON THE HUMAN DEVELOPMENT REPORT IN THE PROVISIONAL AGENDA

1. The General Assembly, in its resolution 46/218 of 20 December 1991 on the UNDP Human Development Report, took note of the intention of the Administrator of the United Nations Development Programme to inform the Governing Council of the Programme, at its special session in February 1992, of the outcome of the regional consultations held in the autumn of 1991 in order for the Governing Council to facilitate and decide on the future work in the area of human development, taking fully into account the views expressed by delegations at the special session of the Governing Council, prior to the publication of the Human Development Report 1992.

2. Accordingly, a new item 6 entitled "Human Development Report" has been included in the provisional agenda for the special session. It is suggested that this item be taken up immediately following the items scheduled for the first meeting of the special session. A revised timetable is contained in the annex to the present document.

3. Under the new item 6, the Governing Council will have before it a report of the Administrator (DP/1992/13) informing the Council of the outcome of the regional consultations held in New York in the autumn of 1991 in accordance with decision 91/6 of 25 June 1991 in order that specific human development concerns and priorities, especially those of developing countries, are taken

into consideration, as appropriate, in the preparation of the next report on human development and future work of the Administrator on the report.

4. The revised provisional agenda for the special session is the following:

1. Adoption of the agenda.

2. Assistance to Djibouti, Ethiopia, Kenya, Somalia, the Sudan and Yemen.

3. United Nations Development Programme Gulf Task Force.
